

Recruiting your company's future...

New year, new division: Healthcare is here!

Fusco Personnel is pleased to announce the formation of their Healthcare Division. Joseph Monahan, MD has assumed the position of Director and is joined by Maureen Kim, RN, BSN, serving as a Healthcare Recruiter. This most unique physician/nurse recruiting partnership is exclusive to Fusco Personnel, diligently representing a magnitude of Healthcare efforts across the state in a most compassionate, professional and goal directed manner.

Dr. Joe Monahan, Director of Healthcare Division

Dr. Monahan has extensive experience in the healthcare arena, having spent 18 years in the private practice of Internal Medicine. He served on the Board of Directors of CDPHP for 12 years and was elected Chairman in 1999. His relationships with hospitals, physician groups, health insurance carriers and overall knowledge of the Capital Region and beyond will serve Fusco Personnel well. We are honored to have him as part of our team!

Maureen Kim RN, BSN, Healthcare Recruiter

Maureen has enjoyed a strong clinical career combined with passionate advocacy and alliance in support of many aspects of local and statewide medical legislation. She has served as a board member for the Sunnyview Hospital Foundation, held Executive board positions for the Alliance to the Medical Society of the State of New York and the Alliance to the Medical Society of Schenectady County. She has been a strong addition to Fusco and we are happy to welcome her aboard.

In our next issue:

Fusco Personnel Inc. will be celebrating their 20th Business Anniversary!

Join us as we take a trip through time to remember where we've been and where we're going.

Fusco Personnel Inc.

Ranked 2013's

#1 Executive Recruiting Agency

by the Albany Business Review

The Healthcare Division will match clients' needs for Physicians, Nurse Practitioners, Physician Assistants and Nurses with qualified clinical candidates as well as filling positions for a multitude of other categories including but not limited to Care Managers, Medical Coders, Quality Reviewers and Managed Care Experts.
